## SCHEDULE 1

### Project Description

The objectives of the Project are to support: (i) enrollment of students in select non-public primary schools in disadvantaged areas; (ii) student attendance in select public and non-public primary schools in disadvantaged areas; and (iii) strengthened management of the Recipient's primary education sector.

The Project constitutes the second part of the Program and consists of the following parts:

#### **Part 1: Support to Primary Education Enrollment**

- 1.1. Improving the Primary Education enrollment under the Tuition Waiver Program through, *inter alia*: (a) the strengthening of School Management Committees; and (b) the provision of Student Enrollment Grants for the carrying out of Student Enrollment Subprojects by School Management Committees.
- 1.2. Improving basic educational services in Selected Rural Communities through, *inter alia*: (a) the construction and rehabilitation of school buildings; (b) the financing of community based teacher salaries; (c) the acquisition of school supplies, materials, equipment and operating costs; and (d) the provision of training in school management to Selected Community Representatives.

#### **Part 2: Support to Improved Students' Attendance**

- 2.1. Expanding the number of certified teachers and improvement of the pre-service teacher training curriculum, through the carrying out of pre-service teacher training.
- 2.2. Improving primary school performance through, *inter alia*: (a) developing a teacher's guide including lesson plans for each day of class for selected grades; and (b) introducing an early grade reading instruction approach in schools supported by the Project to be selected in accordance with criteria acceptable to the Association.
- 2.3. Strengthening the School Health and Nutrition Program through, *inter alia*: (a) the provision of: (i) daily morning snacks and hot meals in schools to be selected in accordance with criteria acceptable to the Association; and (ii) deworming medication and micro-nutrients to participating schools twice a year; (b) the preparation of a study on fuel efficient stoves for preparing school meals; and (c) based on the said study, the introduction of fuel efficient stoves in selected schools.

**Part 3: Strengthening Sector Management**

Building the institutional capacity of MENFP to improve service delivery and overall educational governance through, *inter alia*: (a) the strengthening of selected directorates of MENFP at the central and regional levels; (b) the strengthening of the school licensing system through: (i) the development of school licensing standards, methodologies and procedures; and (ii) the provision of training to: (A) school committees for developing school improvement plans; and (B) independent agencies for schools' evaluation for licensing; and (c) the preparation of thematic studies and pilot programs to improve the budget programming and education system accountability.

**Part 4: Project Management, Monitoring and Evaluation**

Strengthening MENFP's monitoring and evaluation capacity through: (a) the carrying out of impact evaluation of selected Project activities; and (b) the provision of technical assistance to oversee the implementation of Project activities.

## SCHEDULE 2

### Project Execution

#### **Section I. Implementation Arrangements**

##### **A. Institutional Arrangements**

1. The Recipient shall:
  - (a) maintain within MENFP throughout the duration of the Project, a Project management team (the PMT) appointed in accordance with the provisions of Section III of this Schedule and comprising of: (i) a technical unit, including a program coordinator; and (ii) an administrative unit with staff responsible for the Project's financial and procurement matters, all established within MENFP's existing structures;
  - (b) (i) provide specific policy guidelines and address identified issues and constraints in respect of Project implementation; and (ii) no later than September 30, 2014, establish and thereafter operate and maintain throughout Project implementation, a committee (the National Strategic Committee) with a structure and functions and responsibilities acceptable to the Association, as set forth in detail in the Operational Manual;
  - (c) ensure that the technical and administrative units of PMT operate in accordance with the policy directives established by the National Strategic Committee; and
  - (d) ensure that: (i) for the first year of Project implementation not later than September 30, 2014, and from the second year on, not later than September 1 of each year of Project implementation, PMT, through MENFP, furnishes to the Association, for its review and approval, the Project work plan and budget for the calendar year following the date of presentation of each said plan and budget; and (ii) thereafter implement each annual Project work plan and budget in a manner acceptable to the Association.
2. For purposes of appraising and approving eligible Student Enrollment Subprojects, the Recipient shall establish, and thereafter operate and maintain, throughout Project implementation, a nine member steering committee consisting of representatives of MENFP, MEF, non-public education providers, parents' associations and teachers' unions, all with qualifications acceptable to the Association.

3. By no later than September 30, 2014, the Recipient through MENFP, shall appoint, and thereafter maintain throughout the duration of the Project implementation, independent verification agencies, with qualifications, experience, and terms of reference satisfactory to the Association, for purposes of the third-party verification of the Subprojects to be carried out under the Project.
4. The Recipient shall cause the verification agencies to carry out, throughout Project implementation, annual verification exercises of the Subprojects, including surveys, spot checks, verification of data provided and records kept by Beneficiary Service Providers in relation to the Subprojects, and assessments of the quality of services provided under such Subprojects, all in accordance with the provisions of the Operational Manual.

**B. Implementation Documents**

1. The Recipient, through MENFP, shall, carry out, and/or cause to be carried out, the Project in accordance with the Operational Manual, which consists of different schedules setting forth, respectively, rules, methods, guidelines, specific development plans, standard documents and procedures for the carrying out of the Project, including the following:

  - (E) (1) maintain a financial management system and prepare financial statements in accordance with consistently applied accounting standards acceptable to the Association, both in a manner adequate to reflect the operations, resources and expenditures related to the Subproject; and (2) at the Association's or the Recipient's request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association;
  - (F) enable the Recipient and the Association to inspect the pertinent Subproject, its operation and any relevant records and documents; and
  - (G) prepare and furnish to the Recipient and the Association all such information as the Recipient or the Association shall reasonably request relating to the foregoing.
3. No transfer of Subproject Grant funds shall be made to any SMC or Beneficiary Service Provider, as the case may be, prior to the date on which the pertinent SMC or Beneficiary Service Provider has entered into the pertinent Subproject Grant Agreement.
  4. The Recipient shall exercise its rights and carry out its obligations under each Subproject Grant Agreement in such manner as to protect the interests of the Recipient and the Association and to accomplish the purposes of the Grant.
  5. Except as the Association shall otherwise agree, the Recipient shall not amend, terminate, assign, abrogate, waive or fail to enforce any Subproject Grant Agreement or any provision thereof.

6. In the event that any provision of any Subproject Grant Agreement shall conflict with any of the provisions under this Agreement, the terms of this Agreement shall prevail.

**D. Anti-Corruption**

The Recipient shall ensure that the Project is carried out in accordance with the provisions of the Anti-Corruption Guidelines.

**E. IFM Agreement**

1. For the purpose of carrying out Part 2.1 of the Project, the Recipient shall, through MENFP, enter into an agreement (IFM Agreement) with the selected IFM, all under terms and conditions satisfactory to the Association which shall include, *inter alia*: (a) the obligation of the Recipient to promptly provide the funds, facilities, services and other resources required by the IFM to implement its activities under Part 2.1 of the Project and ensure compliance with all the terms and conditions of this Agreement; and (b) the obligation of the IFM to:
  - (i) carry out the activities under Part 2.1 of the Project with due diligence and efficiency in a manner satisfactory to the Association, including in accordance with the provisions of the Anti-Corruption Guidelines applicable to recipients of grant proceeds other than the Recipient;
  - (ii) use the Financing funds and the Recipient's counterpart funds in accordance with the terms and conditions of this Agreement, and in conformity with appropriate administrative, technical, financial, procurement, auditing, participatory and legal standards and practices;
  - (iii) promptly provide the facilities, services, staff responsible for the implementation of Part 2.1 of the Project and other resources required for that purpose;
  - (iv) furnish all information covering the implementation of the activities under Part 2.1 of the Project and the use of the proceeds of the Financing, as the Recipient and the Association shall reasonably request;
  - (v) carry out procurement and enter into contracts, all in a manner consistent with the provisions of this Agreement (including the provisions of Section III of this Schedule) required for the implementation of Part 2.1 of the Project activities and the maintenance of all relevant procurement documentation;
  - (vi) ensure compliance with financial management procedures detailed in Section II.B of this Schedule;

- (vii) at the Association's or the Recipient's request, have such financial statements audited by independent auditors acceptable to the Association, in accordance with consistently applied auditing standards acceptable to the Association, and promptly furnish the statements as so audited to the Recipient and the Association;
  - (viii) enable the Recipient and the Association to visit each IFM facility and examine its operations and any relevant records and documents; and
  - (ix) take all actions necessary to enable the Recipient to comply with its obligations under this Agreement.
2. The Recipient shall, and shall cause each IFM, to exercise its rights and carry out its obligations under each IFM Agreement in such manner as to protect the interests of the IFM, the Recipient and the Association and to accomplish the purposes of the Financing, including, without limitation, through the application of any legal remedies provided under the Anti-Corruption Guidelines. Except as the Association shall otherwise agree, the Recipient shall not amend, terminate, assign, abrogate, waive or fail to enforce any of the IFM Agreements or any provision thereof. In the event of any inconsistency between the provisions of any IFM Agreement and the provisions of this Agreement, the provisions of this Agreement shall prevail.

**F. Safeguards**

1. The Recipient shall ensure that the Project is carried out in accordance with the ESMF and the RPF. To this end, if an environmental management plan, RAP or similar safeguard instrument would be required on the basis of the ESMF and/or the RPF, the Recipient shall specifically take the following actions, in a manner acceptable to the Association:
- (a) such environmental management plan, RAP or similar safeguard instrument shall be prepared in accordance with the requirements of the ESMF and/or RPF, disclosed locally and furnished to the Association for approval; and
  - (b) the pertinent Project activity shall be carried out in accordance with such environmental management plan, RAP or similar safeguard instrument as approved by the Association.
2. The Recipient shall include in the Project Reports referred to in Section II.A of this Schedule, adequate information on the implementation of the ESMF and the RPF, any environmental management plan, RAP or similar safeguard instrument, giving details of:
